RULES OF BOTH HOUSES OF PARLIAMENT RESPECTING THE LIBRARY OF PARLIAMENT

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the Session of Parliament except the Governor General, the members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce strangers to the Library during the day-time, but not after the hour of seven o'clock, P.M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until three in the afternoon; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarians; subject to such regulations as may be deemed necessary for the security and preservation of the collection; but no one shall be allowed to take any book out of the Library except members of the Legislature, and such other as may be authorized by the Speaker of either House.

During the recess of Parliament, no member of either House not residing at the seat of Government shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House, to borrow books, from the Library, shall be allowed to have in his possession more than two books at any one time, or to retain the same longer than three weeks, and all such persons shall return the books so taken when required by the Librarians.

No books of reference or books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

REGLEMENTS CONCERNANT LA BIBLIOTHEQUE

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur Général, les membres du Conseil Privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent en personne introduire des étrangers dans la Bibliothèque pendant le jour, mais non, après sept heures P.M.

Pendant les Sessions du Parlement aucun livre de la Bibliothèque ne peut être emporté de l'édifice, excepté sur l'autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à trois heures de l'après-midi; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la discrétion des Bibliothécaires, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant les vacances du Parlement, aucun membre de l'une ou de l'autre Chambre ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou de garder en sa possession plus de trois ouvrages, à la fois; de plus, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège—sur la foi d'une carte du président de l'une ou de l'autre Chambre,—d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence, ouvrage de luxe et de prix ne pourra être emporté du siège du gouvernement pour aucune considération.

A chaque Session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas encore été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précèdent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following New Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested.

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any books belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on; nor will smoking, or spitting on the floor or carpet be permitted, in any of the Library apartments.
4. No audible conversation will be allowed in the reading room; nor shall any person be permitted to partake of refreshments therein; and no dogs shall be allowed in the Library.

Outre les règles qui précèdent, le Comité de la Bibliothèque a recommandé l'adoption des règles suivantes, dont toutes personnes fréquentant la Bibliothèque ou faisant usage des livres qui la composent sont priés de prendre connaissance:

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque.
4. On ne pourra converser à haute voix dans la chambre de lecture; on ne pourra non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

REPORT

OF THE

JOINT LIBRARIANS OF PARLIAMENT

REPORT OF THE LIBRARIANS FOR 1915.

To the Honourable the Speaker of the Senate.

To the Honourable the Speaker of the House of Commons.

The joint Librarians have the honour to report on the affairs of the Library of Parliament for the year 1915.

Owing to the partial cessation of publishing volumes of Miscellaneous Literature, the additions to the Library of such Literature have not been as many as usual.

Large demands have, however, been deemed necessary for the purchase of books that relate to the various aspects of the war, such as Law books dealing with contra-band, neutrality, trade and finance.

The purely historical volumes that have been, by general consent, considered standard works, have been procured in sufficient numbers to satisfy the requirements of members.

The Diplomatic Correspondence of all the nations, so far as it was obtainable, has also been collected in numbers.

Particular attention has been given to the Diplomatic Correspondence of the United States with all the warring nations; and a liberal supply of copies has been procured.

A very large collection of War pamphlets has been made and bound for reference; and a considerable number have been retained unbound for the convenience of members.

Where an unusually large number of pamphlets and small books have accumulated on their hands, the Librarians have sent them to the Department of Militia and to the various military camps for the use of the troops, and to some soldiers' club, where they have been much appreciated.

Among the donations to the Library during the year we may mention specially:

1. A collection of Provincial Statutes and Sessional Papers;
2. A copy of the six volumes of the Century Dictionary;
3. A collection of the Proceedings of the Royal Society of Canada, and other donations from T. B. Flint, Esq., LL.B., the Clerk of the House of Commons, whose attention to the interests of the Library has been constant and valuable;
4. A collection of War pamphlets and posters of value for historical purposes, from Honourable Sir Clifford Sifton, K.C.M.G.;
5. Many beautiful and costly volumes from the Trustees of the British Museum, including a catalogue of Cuneiform Tablets, and one of Greek and Roman lamps; also a volume of select bronzes, Greek, Roman and Etruscan; and other exquisite productions more fully set forth in the donation list;

RAPPORT DES BIBLIOTHECAIRES POUR 1915.

A l'honorable Président du Sénat:

A l'honorable Président de la Chambre des Communes:

Les bibliothécaires conjoints du Parlement ont l'honneur de présenter leur rapport pour l'année 1915.

En conséquence du nombre restreint d'ouvrages littéraires, en tous genres, qui ont été publiés depuis le commencement de la guerre, la Bibliothèque a fait peu d'acquisitions de ce côté.

Par ailleurs, on a regardé comme nécessaire l'achat d'ouvrages concernant la guerre actuelle à divers points de vue, tels que livres de droit touchant la contrebande, la neutralité, le commerce et les finances.

Les ouvrages d'un caractère purement historique, généralement considérés comme indispensables, ont été achetés en nombre suffisant pour répondre aux demandes des membres des deux Chambres.

On a réuni, autant que faire se pouvait, la correspondance diplomatique de toutes les nations engagées dans la guerre actuelle.

Les bibliothécaires se sont occupés spécialement de la correspondance des Etats-Unis avec les nations en guerre. Il y en a un nombre suffisant d'exemplaires.

On a fait relier une volumineuse collection de brochures sur la guerre qui peuvent être consultées avec profit, et on en a conservé un certain nombre non-reliées à la disposition des députés.

Un grand nombre de brochures et de fascicules s'étant accumulés à la Bibliothèque, les bibliothécaires en ont envoyé une partie au département de la Milice et aux différents camps et clubs militaires où ils ont été appréciés.

Parmi les dons faits à la Bibliothèque pendant l'année, on peut mentionner spécialement les suivants:—

1. Une collection des Statuts provinciaux et de Documents de la session;
2. Un exemplaire du *Century Dictionary*, en six volumes;
3. Une collection de mémoires de la Société Royale du Canada et autres dons de M. T. B. Flint, L.L.D., greffier de la Chambre des Communes, qui s'est toujours occupé des intérêts de la Bibliothèque d'une façon constante et très utile.
4. Une collection de brochures sur la guerre et d'affiches d'une valeur historique présentée par l'honorable Sir Clifford Sifton, C.C.M.G.
5. Les syndics du "British Museum" ont offert un grand nombre de beaux et précieux volumes: Catalogue de tablettes cunéiformes et de portraits britanniques—de lampes grecques et romaines—un volume de bronzes choisis, de

6. A splendid collection of reproductions of Roman Antique monuments of architecture, the work of the celebrated artists Piranesi. It is contained in nine immense folio volumes. We owe this very rare work to the liberality of the Italian Government, from which it was obtained through the kind request of Chevalier G. Chilesotti, Italian Consul for Canada in Montreal;

7. The customary donations from the Imperial Government; the Congress of the United States; the Government of France; the various States of the United States; the Legislatures of all the Colonies of the Empire.

A glance at the donation list appended hereto will show the varied sources from which the Library is recruited, and the constant care taken in preserving and extending the exchange system. This work alone occupies the time and attention of the Library Staff to a large extent.

The large additions made to the Library from year to year, by purchase, exchange and donation, justify the demands so often made for an enlargement of space; demands which the present war conditions and the need for economical expenditure prevent us from repeating at present.

The Librarians desire to acknowledge the courtesy which they have had in the discharge of their duties, from the late Speaker, Honourable Thos. S. Sproule,

The list of copyrights has also been prepared, and will be found as usual among the sessional papers when printed.

The annual catalogue of accessions has been prepared, and is in course of printing. It will be distributed at an early date.

All of which is respectfully submitted.

célébrités grecques, romaines et étrangères, et autres objets d'art décrits plus longuement dans la liste des dons.

6. Une collection admirable de reproductions de monuments d'architecture de l'Antiquité romaine, par les célèbres artistes Piranesi, en 9 immenses volumes in-folio. La Bibliothèque doit cet ouvrage devenu très rare à la libéralité du gouvernement italien qui nous en a fait don à l'aimable demande du Chevalier G. Chilosetti, consul italien à Montréal.

7. Les dons ordinaires du gouvernement impérial, du Congrès des Etats-Unis, du gouvernement français, des différents Etats de l'Union et des Législatures de toutes les Colonies de l'Empire.

La liste ci-jointe des dons faits à la Bibliothèque indique les différentes sources qui contribuent à l'augmenter, et on s'applique à maintenir et développer le système d'échanges.

Cette tâche seule exige une grande partie du temps et du personnel de la Bibliothèque.

L'augmentation considérable des livres qui se fait d'année en année par achats, échanges ou dons justifie amplement la demande souvent réitérée des bibliothécaires pour une installation plus étendue, demande que la crise financière et économique, causée par la guerre actuelle, empêche les bibliothécaires de renouveler.

Les bibliothécaires sont heureux de reconnaître la courtoisie qu'ils ont rencontrée dans l'accomplissement de leurs fonctions chez le président de la Chambre des Communes, sortant de charge, l'honorable Thos. S. Sproule.

La liste ordinaire des dons faits à la Bibliothèque est annexée au présent rapport, ainsi que la liste des ouvrages déposés en vertu de la loi qui protège la propriété littéraire.

Le catalogue annuel des achats de l'année est sous presse, et sera bientôt distribué.

Le tout respectueusement soumis,

A. D. DECELLES,

Bibliothécaire général.
